

wh_locker

Attractive storage space.

Optional.

The *wh_locker* is a minimalist, stylish cabinet locker system specially developed for coworking, desk-sharing and temporary work in open space offices. The individual modules in double and triple combinations can be assembled as building blocks and thus be used for a large number of

people. The fronts of the individual lockers are available in different variants – optionally with recessed handles, combination locks, locker numbers and letter slots.

Design:

Hinged Doors:

Choice of laminate (MFC) or HPL top with seamless, moisture resistant laser edge (ABS edge D32 anthracite). Always hinged right.
